**Part II: Organizational Action**

14. Describe the organizational action and, if applicable, the date of the action or the date against which shareholders’ ownership is measured for the action: During the fiscal year ending 10/31/18, Direxion Russia Bull 3X Shares declared quarterly dividends that included a non-taxable return of capital. Please reference the attached sheet for details relating to the date of action.

15. Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis: For each dividend noted above, 46.807% of each such dividend was a return of capital in accordance with IRS section 301(c)(2). Accordingly, the shareholder would reduce each share of their tax cost basis in the RUSL stock by the portion of each distribution determined to be nontaxable return of capital.

16. Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates: The cost basis of the shareholders of record for each dividend noted above is lowered by the per share return of capital amount disclosed in the attachment. The rate was determined in accordance with IRC Section 301 and Section 316.
Part II  Organizational Action (continued)

17  List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ► IRC 301, 302, and 316.

18  Can any resulting loss be recognized? ► No loss can be recognized by the shareholders of each dividend noted above for the nontaxable return of capital distribution received.

19  Provide any other information necessary to implement the adjustment, such as the reportable tax year ► The information provided above will be provided on the shareholder’s 2018 1099-DIV statement, box 3.
